WELCOME

FROM RACE DIRECTOR

Dear Athlete,

On behalf of the Local Organizing Committee, we proudly welcome every one of you to Challenge Sandefjord 2026.

.....

Our 2,5 edition of Challenge Sandefjord is just around the corner. Our dream is to build a yearly event in the heart of Vestfold county. You keep coming back, and that means the world to us. This year, Challenge Sandefjord is all yours.

The team have worked hard to build the best possible race experience in Sandefjord. A new and exciting lineup of disciplines, a beautiful open water swim at Granholmen, a scenic bike course through the Norwegian countryside, and run laps through the heart of our city. We want you to finish with a smile – and a story to tell.

This year we welcome not just our classic middle distance and olympic+ athletes, but also those racing Aqua-Bike, Bike-Run, and Tri Together. Challenge Sandefjord is a race for everyone.

And don't forget: Challenge Sandefjord is an official qualifying race for The Championship. The top six in each age group qualify for the world's biggest middle distance triathlon.

We also have 10 spots for the famous Challenge Roth – the world's most entertaining triathlon. We will draw 10 winners from those who have finished the middle distance, and have committed to buy the slot after the award ceremony Sunday. Be sure to be present at the award ceremony at 16:30 in Badeparken.

Good luck, and enjoy your Challenge.

Olav Kyrre Fjeld

Race Director, Challenge Sandefjord
